4. Special procedural requirements

Before running any Test Case UC7_0 sign in with username test@gmail.com and password Password1234!

Base script for all the test case: script_base_de_datos_software.sql

Before running the Test Case UC7_1 (ESC_1), run the script script_base_de_datos_software.sql

Before running the Test Case UC7_3 (ESC_3), run the script File_ESC.sql

All the testing is in local with the data provided. For IP requirements of Azure this is the preferred way to do it.
